45 CFR §1301.2 Governing body.

(a) Composition. The composition of a governing body must be in accordance with the requirements specified at section 642(c)(1)(B) of the Act, except where specific exceptions are authorized in the case of public entities at section 642(c)(1)(D) of the Act. Agencies must ensure members of the governing body do not have a conflict of interest, pursuant to section 642(c)(1)(C) of the Act.

(b) Duties and responsibilities.

- (1)** The governing body is responsible for activities specified at section 642(c)(1)(E) of the Act.
- (2)** The governing body must use ongoing monitoring results, data on school readiness goals, other information described in §1302.102, and information described at section 642(d)(2) of the Act to conduct its responsibilities.

(c) Advisory committees.

- (1)** A governing body may establish advisory committees as it deems necessary for effective governance and improvement of the program.
- (2)** If a governing body establishes an advisory committee to oversee key responsibilities related to program governance, it must:
 - (i)** Establish the structure, communication, and oversight in such a way that the governing body continues to maintain its legal and fiscal responsibility for the Head Start agency; and,
 - (ii)** Notify the responsible HHS official of its intent to establish such an advisory committee.

45 CFR §1301.3 Policy council and policy committee.

(a) Establishing policy councils and policy committees. Each agency must establish and maintain a policy council responsible for the direction of the Head Start program at the agency level, and a policy committee at the delegate level. If an agency delegates operational responsibility for the entire Head Start or Early Head Start program to one delegate agency, the policy council and policy committee may be the same body.

(b) Composition.

(1) A program must establish a policy council in accordance with section 642(c)(2)(B) of the Act, or a policy committee at the delegate level in accordance with section 642(c)(3) of the Act, as early in the program year as possible. Parents of children currently enrolled in each program option must be proportionately represented on the policy council and on the policy committee at the delegate level.

(2) The program must ensure members of the policy council, and of the policy committee at the delegate level, do not have a conflict of interest pursuant to sections 642(c)(2)(C) and 642(c)(3) (B) of the Act. Staff may not serve on the policy council or policy committee at the delegate level except parents who occasionally substitute as staff. In the case of tribal grantees, this exclusion applies only to tribal staff who work in areas directly related to or which directly impact administrative, fiscal, or programmatic issues.

(c) Duties and responsibilities.

(1) A policy council is responsible for activities specified at section 642(c)(2)(D) of the Act. A policy committee must approve and submit to the delegate agency its decisions in each of the following areas referenced at section 642(c)(2) (D)(i) through (vii) of the Act.

45 CFR §1301.4 Parent committees.

(a) Establishing parent committees. A program must establish a parent committee comprised exclusively of parents of currently enrolled children as early in the program year as possible. This committee must be established at the center level for center-based programs and at the local program level for other program options. When a program operates more than one option, parents may choose to have a separate committee for each option or combine membership. A program must ensure that parents of currently enrolled children understand the process for elections to the policy council or policy committee and other leadership opportunities.

(b) Requirements of parent committees. Within the parent committee structure, a program may determine the best methods to engage families using strategies that are most effective in their community, as long as the program ensures the parent committee carries out the following minimum responsibilities:

- (1)** Advise staff in developing and implementing local program policies, activities, and services to ensure they meet the needs of children and families;
- (2)** Have a process for communication with the policy council and policy committee; and
- (3)** Within the guidelines established by the governing body, policy council or policy committee, participate in the recruitment and screening of Early Head Start and Head Start employees.

45 CFR §1301.5 Training.

An agency must provide appropriate training and technical assistance or orientation to the governing body, any advisory committee members, and the policy council, including training on program performance standards and training indicated in §1302.12(m) to ensure the members understand the information they receive and can effectively oversee and participate in the programs in the Head Start agency.

45 CFR §1301.6 Impasse procedures.

(a) To facilitate meaningful consultation and collaboration about decisions of the governing body and the policy council, each agency's governing body and policy council jointly must establish written procedures for resolving internal disputes between the governing board and policy council in a timely manner that include impasse procedures.

These procedures must:

(1) Demonstrate that the governing body considers proposed decisions from the policy council and that the policy council considers proposed decisions from the governing body;

(2) If there is a disagreement, require the governing body and the policy council to notify the other in writing why it does not accept a decision; and,

(3) Describe a decision-making process and a timeline to resolve disputes and reach decisions that are not arbitrary, capricious, or illegal.

(b) If the agency's decision-making process does not result in a resolution and an impasse continues, the governing body and policy council must select a mutually agreeable third party mediator and participate in a formal process of mediation that leads to a resolution of the dispute.

(c) For all programs except American Indian and Alaska Native programs, if no resolution is reached with a mediator, the governing body and policy council must select a mutually agreeable arbitrator whose decision is final.
